Hey guys,

FYI - Aubrey will join FLOVA and Gov on the drive to Manteo next Wednesday.

If you know of any other details about his holiday preferences that I need to add to the calendar or just be aware of, would you mind letting me know? I will likely take off next week, so want to make sure I have everything correct on her calendar before then.

Thanks!

Natalie

Do we want to move forward on this happy hour? It sounds like we would have to do this on Monday or Tuesday, since they are leaving on the 7th for Manteo and won't be back by the 11th.

**Subject:** Next week BTS visits

Danielle,

1. For next week we will be using a new school visit event briefing document that will simplify the process and get us the most important information we need for each school. We can discuss that tomorrow.
2. We need to try to add a visit to the Bedford County or Town of Bedford social services office (wherever Andy Crawford works). That may involve cutting one school so we will have to discuss today.
3. Please put on the calendar in the notes section which locality each BTS stop is in.
4. What does the United Way of Central VA want to do at their HQ in Lynchburg? I am inclined to adding the stop with Andy Crawford in Bedford and dropping that final UW stop, or doing something else in Lynchburg.
5. Finally - we need to talk to FLOVA about what to do about the evening of the 29th and the drive to Manteo. We will either need to 1. postpone her drive to Manteo to another day 2. fly her to RIC from Roanoke, or 3. cut this day of BTS visits short.

Thanks,  
David

FLOVA,

Just an FYI that this invite came in today for a day when you are in Manteo. I congratulated them on the opening and thanked them for thinking of us but said that evening doesn't work. Told him I hope we can find a time to stop one day if we are nearby. Reminder that they are including an early childcare center as part of their long term expansion plans there.

Thanks,  
David

Greetings Chief Mercer:

I hope you are well and please accept this email as a follow-up to our letter inviting the Governor, First Lady, yourself, and anyone on the Governor's Staff to an event celebrating the grand re-opening of our renovated Visitor Center and the opening of our new permanent exhibition, *Revolutionary Rights*, on Thursday, June 13<sup>th</sup>. This exciting grand opening represents two major accomplishments at Gunston Hall. The grand opening of the Visitor Center will highlight the culmination of a multi-year Commonwealth funded Capital Project, the largest such project at Gunston Hall in over 15 years, and we are incredibly grateful for the Commonwealth's support of this transformative renovation.

This renovation also allows us to install our first new major exhibition in over twenty-five years. Funded with private dollars, this new educational experience focuses on the ideas, choices, and actions of George Mason within the historic context of the fundamental freedoms and rights he first articulated in the 1776 Virginia Declaration of Rights. With support and guidance from over sixteen outside scholars and peer reviewers, this exhibit will explore the important history of the revolutionary movement that led to the founding of our country, but also inspire us all to be active and civically engaged citizens today.

We would be honored by your attendance and very much hope you will be able to join us and receive our thanks for your and the Commonwealth's support of Gunston Hall. Thank you for your consideration of our invitation and if you have any questions, please feel free to contact me at [sstroh@gunstonhall.org](mailto:sstroh@gunstonhall.org) or 703-550-9220. Thanks again and we are most appreciative of your leadership and public service.

Sincerely, Scott

Hi all!

Happy Friday! For next week, could we please plan on:

Monday: 4 boxed lunch ready by 9:30 AM

Tuesday: I imagine he might have time to eat at the mansion before the interview with the possibilities project. What do y'all think?

Wednesday: None--I suspect he will eat on the way or once he gets to Manteo

I am out next week, but y'all know how to find me. Denise is copied here also in case of a lunch emergency (and truly, I would not put it past for that to happen). I hope everyone has a happy fourth!

Thanks!
