Dear President Rossi,
I hope this email finds you well. I wanted to follow up on a letter that I had sent to your office to make sure you had received it. Also, on behalf of Burisma, I wanted to invite you to the Monaco Energy Forum we are hosting in June. I've attached the invitation as I know it will be a great event focusing on promoting alternative energy sources in Europe. I hope you will be able to join.

I am looking forward to a fruitful relationship between Burisma and Tuscany.

All the best,
Hunter
