Dear Mr. Stocks:

Re: Complaint against Dr. Jeremy Henrichs, #2021-05311

I am writing to follow up on your inquiry of August 17, 2021 regarding the complaint that was filed against your client, Dr. Jeremy Henrichs. This matter has now been brought to my attention as the General Counsel of the Illinois Department of Financial and Professional Regulation (“Department”).

The initial response to your inquiry requested information that the Department does not need. Please disregard the questions posed in the emails of August 11 and 17, 2021. On behalf of the Department, **I sincerely apologize for the tone and content of those communications.**

I would like to provide context for the Department’s approach to complaints. Pursuant to its duties under the Medical Practice Act, 225 ILCS 60, for years, the Department has generally maintained a practice of opening an investigation of every complaint it receives relating to individuals licensed by the Department. As you can understand, not every complaint requires a detailed investigation or action; however, that determination cannot be made at the time of the initial filing.

We do not need any information from your client at this point. If you have any questions or would like to discuss this matter further, please do not hesitate to call me at 312-590-3698.

Very Truly Yours,

Dina Torrisi Martin
