Subject: Call between Blue Star and Burisma

Dear all,

At Devon's request, I am writing to schedule a call between the Blue Star and Burisma teams, preferably tomorrow morning. Given time zone differences, the period between 9 am and 11am EST seems best.

Does 9:30am or 10am ET tomorrow work for everyone? If not, please suggest some other times. Once I have a consensus, I will send out an invite with dial-in information.

Thanks,
Sean Keeley
