

Bad Dragons,

It's that time of the month! DOW just published the monthly SPINS test on PEX today. Since the material is **Secret**, you'll have to access the full test on a **SIPR** computer in a word document called **(X064) Theater SPINS Sep to fly Oct 21**. Here's the **SIPR** file path: **AFSOC – 3 SOS\Combat Ops\2.DOW – Tactics\Tests\X064 Theater SPINS – NEW TEST**

If you have any questions, please feel free to ask!

V/R,

JOSIAH L. WILLIAMS, 1st Lt, USAF
MQ-9 Pilot/ DOW
