Dear Jim,

Good to see you a couple of weeks ago, further to our discussions we have prepared a deck for my visit to CEFC board on Monday in Beijing, It has been made clear to me that CEFC wish to engage in further business relations with our group and we will present a few projects to them.

I attach the decks and a covering letter that lay out the principals as I see of a Westinghouse play, we have been a little presumptuous that you wish to be included, but we hope so ?.

Please feel free to make any amendments and alterations, and of course if you do not wish to be involved, we would also understand and have a plan B so no pressure.

Technically I have asked Joe to look over the doc, as he is keen to be involved and I hope thats OK, as he knows the China / Shaw gig inside and out ?.

P.S Im sure H can give you the heads up on the play if you need more details. There are no guarantees, but we know God loves a trier so we give it our best shot.

Kindest
