He would like to meet with you today or tomorrow. I told him your schedule was a bit busy right now but that you would call him back. He is a parent of a kid in Finnegan's class and has a potential business opportunity in China that might be of interest.

301-252-4050

If you want me to schedule him, happy to do so- didn't know if you wanted to talk on the phone first.
