Agreed then no Krista though I wasn't even sure I could get her. Not worth it.

I think both of us should charge this to Realty so book the earlier flight. I'll make us reservations at Beverly Hills Hotel (how many nights for you?). I have to leave Monday morning because I have to be back in Denver Thursday for Potash Audit Committee meeting.

Looked at flights- If I get in at 7:30 can be there by 8:30- does that work. I agree it's worth it for a lot of reasons. I can take flight that gets me in at 4 but it's \$800 more- fine with me as long as it's paid for.

H I just received email back from Ara. The birthday dinner Sunday starts at 7pm and is at the Beverly Hills Hotel. Any chance you can get there a little earlier Sunday? I haven't done anything yet but I think I am going to make arrangements tomorrow, even if its for 24 hours, and try and get next trip to Moscow scheduled and advance the ball whatever initiative Ara wants to tackle first. I have my brother's wedding Thursday and Friday and a brunch Saturday so will be tight for me as well. - D
