**Re: Grievance against Attorney Stefan Charles Passantino, Bar #565845
Office of the General Counsel File #: 230142**

Dear Mr. Garber:

The State Disciplinary Board has completed its investigation into the grievance filed against your client, the above-referenced attorney Mr. Passantino.

The grievance was assigned to a member of the Board for thorough investigation to determine whether to recommend further proceedings against the lawyer. After completing the investigation, the Board member presented their findings to the State Disciplinary Board at a recent meeting.

After careful consideration, the Board concluded that the investigation did not disclose sufficient evidence to justify formal proceedings against the lawyer. For this reason, the Board has directed that the grievance be dismissed.

Sincerely,

Jennifer Elizabeth Dunlap
Chair, State Disciplinary Board
