Thanks for reaching out Fields. I think Thursday is going to work, and will be especially timely given your presentation tomorrow.

Can we tentatively say 9:30 or 10am? We'd like to come to you. If that also works.

Let me know... feel free to give me a call tomorrow.

Thanks again,

Hi Sybil,

I would like to discuss the details for this interview. I believe Supervisor Bill Gates will be available Thursday morning, and I could possibly pair him with Scott Jarrett of our Elections Department if your reporter wants to get into technical details about the 2020 General Election and our response to the Senate inquiry. Please let me know when you are free to discuss, or if you want me to work on details with Tyson.

Thank you,

January 6<sup>th</sup> works for our team as well. Perhaps we touch base earlier that week to confirm the details... timing, location etc.

Hi Sybil,

Thank you for the prompt update to the story on your website. As you can imagine, much of our leadership is unavailable during the holidays. The chairmanship will change in January 5 and I think the 6<sup>th</sup> would be an appropriate time to schedule the interview. Please let me know who on you would like me to work with from your team.

Thank you again.

**Subject:** [EXTERNAL] Request for corrected stories

Dear Sybil,

Congratulation on your recent promotion to news director. I wish that was the primary reason for my email today.

We at Maricopa County are very disappointed in the recent interview with Senate President Karen Fann and Senator Rick Gray. [https://www.azfamily.com/news/politics/arizona\\_politics/one-on-one-with-senate-president-karen-fann/article\\_8708df5a-5ebc-11ec-a23a-db7179879773.html?block\\_id=997197](https://www.azfamily.com/news/politics/arizona_politics/one-on-one-with-senate-president-karen-fann/article_8708df5a-5ebc-11ec-a23a-db7179879773.html?block_id=997197)

They were permitted to continue spreading misinformation about the 2020 General Election unchecked during the published interview and there was no apparent fact checking in the online story despite our public website dedicated to the truth about election operations at [JustTheFacts.Vote](https://www.azfamily.com/news/politics/arizona_politics/one-on-one-with-senate-president-karen-fann/article_8708df5a-5ebc-11ec-a23a-db7179879773.html?block_id=997197). Scott Pasmore never performed his due diligence by reaching out to the Elections Department, Recorder's Office, or my team in the Office of Communications. This is unprofessional and irresponsible considering the severity of her allegations and the ongoing threats to election officials at all levels.

Maricopa County demands AZ Family uses the attached statement to publish clarifying stories on television during the same shows the interview originally aired. The web story must also be updated to reflect the content of this statement and the fact AZ Family did not research the original story. We expect you to provide an interview opportunity of similar length and promotion after the County issues its official response to the Cyber Ninjas' report.

Please provide a response to this email by December 23, 2021.

Thank you,

**Fields Moseley**
