I think this might be a little too overt but this was the feedback below. Anyway to tone down but in operate would be useful. Additionally I was tied up at 3pm but Sally and Eric spoke further about color for scope.

"Target: Us ambassador communicates to Ukraine officials I.e. President administration formally/informally that he/U.S. government is ok with NZ, supports him and Burisma. Other U.S. High ranking officials communicate this message to President Administration. President Administration and other agencies (general prosecutors office) do not pursue NZ. NZ freely travels home. Ambassador Pyatt loves NZ-)"

Dear Devon, any further input from Vadim to add to our proposal? Just checking on status, so thanks for any updates.

Best, Jessica
